| 1 | Develop a comprehensive strategic plan for transitioning to a fully digital security camera system that, among other things: a. identifies enhancements needed to address camera functionality and coverage deficiencies, b. provides cost projections and the BOP appropriations account to fund the upgrades, and c. includes an estimated timeline for completion of the work. |
| 4 | Develop and implement policy that describes the expectations for supervisory review of Woods Files. Specifically, this policy should clearly convey the requirement for reviewers to confirm support for all statements of fact in each application and provide for better evidence of the supervisory review process that goes beyond simply signing the Woods Form. As part of this policy modification, the FBI should also consider options for incorporating an element of independent verification of the Woods File during the FISA application process. |
| 1a | Reassess its policies to more precisely describe for FBI employees when they are required to promptly contact and coordinate with applicable state and local law enforcement and social service agencies after receiving allegations of crimes against children that potentially fall under state jurisdiction, even when the allegations also potentially fall within the FBI's jurisdiction. |
